**Curtis – here are the two edits**

**4<sup>th</sup> paragraph, second sentence – change to read “This effort involved a surface screening for gross gamma radiation detection, which included....”**

**Last paragraph re CAG Meeting – delete the last sentence about EPA region 7 representatives being available one hour before the meeting. I think Mark would like to be silent on this for now and then talk more strategy later about that CAG meeting.**

Thank you,

**Lynn M. Juett**
